

## Quality and Food Safety Policy

It is the *Quality and Food Safety Policy* of Peace River Packing Company that we will do all in our power to produce, market, sell and provide products and services that meet or exceed our customer's quality expectations. All of our employees, in each and every capacity, will accomplish the stated *Quality and Food Safety Policy* by working as individuals as well as in teams to execute the *Quality and Food Safety Policy*. This *Quality and Food Safety Policy* constitutes the following commitment to our customers:

- Every employee of the company is part of the quality process and is empowered to stop the production of product if it is not meeting our quality standards.
- We will follow quality standards for all phases of our business, which includes customer service, raw material procurement, finished products and all other support functions within the organization.
- We will meet all requirements of the Federal Food and Drug Administration's current Good Manufacturing Practices as they apply to our business.
- We will meet all requirements of the Federal Food and Drug Administration's HACCP rule, Title 21 CFR 120.
- We will label our products in a manner which is consistent with regulatory requirements and which will not mislead our customers.
- We will only ship products that meet our Quality Standards as well as the Quality Standards of our customers for their particular product.
- We will investigate and dispose of sub quality products appropriately and without delay.
- We will seek continual improvement in all aspects of our business to add increasing value to our customers.
- We will achieve this through the skills, energy, and integrity of our employees.
